<b>Your research question:</b>	
<b>Step 1:</b>	What are the 2 or 3 keywords / concepts for your question?
<b>Step 2:</b>	Are there similar words, synonyms or concepts that you could use to search on your topic?
<b>Step 3:</b>	Are there other terms which could make your search more precise? (E.g. geographical area, period of time?)
<b>Step 4:</b>	Are there any terms that you would want to exclude from your results?
