

Using the template:

- Make a list of words underneath each of the parts of a title below. Experiment with different combinations to form working titles.
- **Example title:** To what extent has the theory of 'The Uncanny' been used as a tool to enhance the psychological survival horror game – *Silent Hill 2*?

Instruction

- Tells you what to do.
- **Instruction verbs:** analyse, discuss, evaluate, compare, to what extent
- **Questions:** why, how, does

Pick relevant instruction verbs from [Kent University's \(2008\) list:](#)

Topic

- Main topic of research.
- For example, sustainable fabrics, political correctness in comedy.

List central words to your topic:

Focus/Aspect

- Provides boundaries or constraints for your assignment.
- **Ways of narrowing:** time periods, location, perspective, case studies, themes or aspects.

Input phrases for narrowing the topic
e.g., contemporary, feminist, a particular example/practitioner:
